Tips for connecting between Eurostar and Thalys

Travelling to the UK

- Remember to check in at least 30 minutes before your train's departure if you're travelling in Standard class, and 10 minutes if you're in Business Premier

Travelling from the UK

- Thalys trains usually depart from platforms 3,4,5 or 6, but be sure to check the departure boards in Brussels-Midi/Zuid station.
- To find your Thalys platform when you arrive in Brussels-Midi/Zuid, go down one floor from the Eurostar platform, pass the Eurostar departures area and Thalys platforms are to the right of the main ticket office.
- For quick connection times (under 20 minutes), take the connections exit between coaches 11 and 16. Go down the escalator, turn left and you'll see your departure screens and onward platform.
- There is no check-in for Thalys trains so provided that your ticket you can board straight away. So that the train can depart safely, please note that platform access may be closed 2 minutes before departure.

When you board your Thalys train, show your ticket to the Train Manager for inspection
